Date _____

Registration Instructions

To insure your little dancer has a place in our classes being held in September 2010; fill out the attached registration form; mail with your payment to

*Linda McHale Poggi
1914 Billy Barton Circle
Reisterstown, MD 21136*

Confirmation notices will be sent upon receipt of registration forms.

Space is limited: those who have pre-registered will get priority in situations where classes are over booked.

In prior years we have held spaces for students that were no shows; or have had many unexpected students show up the first night with friends causing classes to be larger then planned.

This year our pre-registration program will benefit all involved; you will know your child is placed and we can make any necessary changes in our schedules or with the dance staff.
If necessary additional classes can be scheduled.

Information packets including a class schedule will be handed out the first night of class.
Schedules are also posted on the school website *Mchaleirishdance.com*

Transfer Students: those students transferring from another dancing school are certainly welcome; however a transfer form must be completed and mailed to IDTANA along with a \$25 per student fee.
I will be more then happy to assist you with this easy process.

Questions or comments please feel free to contact me linda@mchaleirishdance.com or via phone 410-252-8459

We look forward to meeting our new students in September and welcoming back those from previous sessions.
